Mrs. Hamilton and her company, which made a pleasing impression at the Majestic last week, left Sunday for Zanesville, where they play three days at the Hippodrome in opposition to the Orpheum, which is run by Lud Hamilton, Mrs. Hamilton's clever husband.

Such is the irony of fate in the theatrical world. It's wifey against hubby. Mrs. Hamilton made many friends here and she has a very neat singing act.

CHARITY BALL

Charming Social Event Adds to the Gaiety of the Midwinter Holiday Season

Weber's full Orchestra of Cincinnati and several hundred of the elite members of Maysville's "four hundred" made up the charming ensemble of the "Charity Ball," given last evening in the Assembly Room of the Maysville Commandery No. 10, Knights of the Ku Klux Klan. That no more enjoyable and beautiful midwinter dance was ever featured in famous K. T. Castle was the unanimous opinion of all who participated in the delightful affair. Beautiful women, garbed in evening dress, escorted by knightly and gallant gentlemen, made up the scene, which for warmth, brilliancy and hospitality was unique and always characterized these eventful functions in our noble city.

Promptly at 9 o'clock the grand promenade overture was struck up by Weber's inimitable musical organization, and for over five hours the dance was on and the joy unconfined, except at brief intervals, when the gay assemblage rested from the dizzy waltz, the rhythmic waltz and the whirling cotillon.

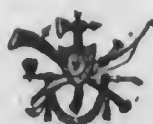

The doors of the Banquet Hall were thrown early and delicious refreshments served and Kentucky as one of the features of the evening, which added cheer to the brilliant

occasion and satisfied the most epicurean tastes of the elated guests.

Last night's Knights Templar Charity Ball was a formal function given for the benefit of the charity wards in Wilson Hospital. The tickets were \$3 for each couple and the net receipts amounted into the hundreds.

Remnants

The enormous selling of the past few weeks has left many short lengths in black and colored wool goods, in silks, trimmings, embroideries and ribbons. We are closing them out at very low prices.

Children's Coats

Our Coats establish such a high level for excellence and low level for price, a reduction is an important event. Here's such an event today. It concerns two groups of Coats made and finished most carefully and both priced much below their value:

Caracul Cloth Coats, sizes 2 to 5 years. Double breasted. Cream, gray, brown, navy and red. Fancy Kersey Coats, full length, 8 to 12 year sizes, \$2 1/2.

From gum drops to gum shoes was an easy and natural jump for Dr. Cook. It now looks like the Dock was not only a gentle faker but a smiling and deep-dyed scoundrel and hypocrite.

ALL praise is being given to the Administration for unearthing the frauds in the customs service. There will be a clean sweep of all dishonest officials, and all malefactors will be punished as far as the law can reach them. President TAFT'S methods may be deliberate and quiet and judicial, but for all that none the less thorough and effective. He is meeting all expectations, and he is going to give us one of the best administrations we have ever known.

THE rule of the great Marshall Field & Co.'s dry goods house that every woman and girl employed in the establishment shall appear in a black or white shirt waist, plain skirt, hair done up neatly, without padding or artificial adornment, moves The Haverhill, (Mass.) Gazette to remark as follows: "Simplicity is best for the shop girl and for any girl; best financially and best morally. These women ought to be grateful to the wise and far-seeing house that made this rule—a rule that ought to be generally adopted and readily complied with."

IN the grand free-for-all race for the North Pole stakes "the woman in the case" appears to be also "the Nigger in the wood-pile." We have not heard a word about Mrs. Cook or Mrs. PEARY for quite awhile until very recently. The silence of woman is always ominous and portends that there is a cyclone brewing somewhere in the woolly West.

 Fred Basset of Mt. Sterling is a very popular commercial tourist and very proud of his home town. Not long since he was with a party of drummers and they decided to attend the theater. Mr. Basset was on his feet quick and answered, "I am from Mt. Sterling."
 The man looking at him and with a tone of pity in his voice said: "Ain't you ashamed of yourself?"

JUDGE GARRETT S. WALL

Will Likely Succeed Percy Haly on Board of Control

A Frankfort dispatch says that with the contest narrowed down to three or four men, Governor Willson is having a hard time picking a man to appoint as member of the Board of Control of Charitable Institutions to succeed Percy Haly. The appointment will be made on Saturday, probably, and will not be given out until it is made.

Among the foremost candidates for the place is Judge Garrett S. Wall of this city, who was in Frankfort Monday to see the Governor and who is now said to stand the best chance of securing the appointment.

The race seems to lie largely between Mr. Wall and Dr. Arms of Leitchfield, but the fact that Dr. Arms is from West of Louisville is a handicap to him. Mr. Wall, being from Eastern Kentucky, stands a better chance of being appointed on the Board. The Governor paid him a high tribute after talking with him and said no better man could be found.

"POOR RICHARD" SAID
"The people are the best judges of merit." This is forcibly illustrated by the increased demand for the famous Cod Liver and Iron tonic known as VINOL.

Its worth is demonstrated over and over again in building up the run-down, weak and aged, and to overcome pulmonary troubles. While worthless remedies are disappearing entirely, the fact that the demand for VINOL is rapidly increasing is ample proof of its intrinsic merit. John C. Recor, Druggist, Maysville, Ky.

Little Alma Katherine Keilner, missing twenty days from her home at Louisville, has not yet been found.

Pierce Farley of Aberdeen, O., while coasting in Market street yesterday morning, was thrown against a telephone pole in front of Nash's barber shop, and for a time it was thought the young man had received serious injury. On being taken to a Doctor's shop it was found that his hurts were superficial in character.

Mrs. Anna C. Sutherland, whose illness has been noted in these columns, died last Friday at her home at Winchester, after an illness of several weeks of Bright's disease, aged 68.

Before her marriage she was Miss Richeson, eldest daughter of the late Mr. and Mrs. John Richeson of this city.

She is survived by her husband, R. L. Sutherland, and a son, J. Holt Sutherland. She was a sister of the Misses Richeson and Mr. Ed Richeson of West Third street, this city.

In noting her death The Winchester Democrat says: "Mrs. Sutherland was a woman whose presence was a source of pleasure to her friends, unselfish and untiring in her efforts to please others, and a loyal neighbor always ready to perform offices of love and friendship."

Allen Vantine, one of Maysville's venerable and respected citizens, passed away yesterday morning at 9:45 o'clock at his home in Forest avenue, after an illness of only a few hours duration. He was stricken while sitting in a chair before the fire place, and died almost instantly, his death being caused by heart failure.

The deceased was born in Fulton, now part of Cincinnati, August 26th, 1833, and he had reached the ripe old age of 76 years past. He had lived in this community for over thirty years, respected and esteemed for his good citizenship.

He was a Civil War veteran, having served as a gallant soldier of the Sixteenth Kentucky Infantry, and was also a member of Joseph Heiser Post No. 13, G. A. R. He was a devout Christian, being a member of the Methodist Church.

Besides his widow he leaves seven children—Mrs. Joseph Williams of Cincinnati, Mrs. Alice McDonald, Mrs. Omer Yarnell, Mrs. Edward Whittington and Messrs. George, William and Daniel Vantine of this city.

The funeral will take place tomorrow afternoon at 2 o'clock from Seiden's Chapel, with services by Rev. W. H. Davenport. Interment in Maysville Cemetery.

Colorado Springs found in its stocking the biggest Christmas gift in the history of the city—the famed Garden of the Gods, presented by the late Charles E. Perkins. This marvelous park, with 480 acres, which is known throughout the United States and in many foreign lands for its curious rock formations, Christmas became the property of Colorado Springs.

Like a Greek stoic, when Mrs. Alma Dodson, only woman lawyer in Green county, Mo., was told she must undergo an operation probably fatal, she gave a reception at Springfield to wipe out all social obligations. She was a smiling hostess, had cards and refreshments and after saying good-bys arranged her affairs. The next day she was operated on and died.

The Mississippi river is full of very heavy ice and navigation is suspended from St. Louis to Memphis.

The snowfall in the watershed above Pittsburgh is already deep enough to cause apprehension for the future when it moves out, for should it all go at once, being melted by soft rains, there will be a severe flood.

The death of Captain Isaac M. Mason occurred recently at Pittsburgh. During the Civil War Captain Mason owned and commanded the Vixen, which he operated between Cincinnati and Pittsburgh. He was the first to carry the Dan Rice Circus down the Ohio from Pittsburgh to New Orleans.

NATURE'S WARNING.

Maysville People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously. But nature always warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlements and sediment. Passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills. To ward off Bright's disease or diabetes. Doan's have done great work in this locality. James W. Cottingham, East Second street, Vanceburg, Ky., says:

"About two years ago my back became lame and I had almost constant pain across my loins. It was all I could do to drag one foot after another and I was actually too weak to work. The kidney secretions were scanty and I had a difficulty in passing them. I was laid up at one time for a month and could not leave the house. When Doan's Kidney Pills were recommended to me, I procured a box and began their use. My kidneys were soon restored to their normal condition, I became strong and have had no trouble since. It gives me the greatest pleasure to recommend Doan's Kidney Pills to other persons suffering from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

DARK DAYS and LIGHT NIGHTS!

The "melancholy days" may be here, but, thanks to modern illumination, they are more than offset by the joyous nights. Darkness now is only a setting which brings out more strongly by contrast the glories of light. If the day gets too gloomy, we turn a switch or pull a cord and instantly our office, home or store becomes as brilliant as June sunshine.

ROYAL BLUE

For Laundry Use.

Is a very high grade of Bluing and specially prepared with the utmost care. Gives clothes a bright, fresh blue, with a beautiful lustre. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the best laundries throughout the country use this bluing daily with perfect satisfaction. You will like it. One ten-cent powder, put into a quart of clear fresh water, will make you as much excellent bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent Blue Ink by dissolving the powder in half pint of water. Prepared by
